Dear Imperial County Property Owner,

I am writing to request your cooperation in helping with the California State Board of Equalization's (BOE) audit of the Imperial County Assessor Department. The BOE is required by state law to periodically review the accuracy and quality of property assessments in California County Assessor's Offices.

As part of its constitutional responsibility, the BOE performs a comprehensive audit of how the Assessor applies California property tax laws, rules, and regulations to ensure that assessment practices are accurate, uniform, and fair. The BOE also provides Assessors with valuable recommendations for improving assessment practices and procedures.

As part of this audit, the BOE randomly selects a number of parcels to verify that the property valuation on the assessment roll is accurate. Your property is one of 277 in Imperial County that the BOE has selected for review.

Be assured that the selection process is completely random and that the selection of your property does not suggest that there is any irregularity in the assessed value of your property.

Thank you in advance for assisting and cooperating with the BOE Assessment Practices Survey Team. Should you have any questions about the BOE Assessment Practices Survey or the review of your property assessment, please call me at (442) 265-1330.

Sincerely,

A handwritten signature in blue ink, appearing to read 'R. Menvielle', is written over the word 'Sincerely,'.

Robert Menvielle,  
Imperial County Assessor
